

# Comparison Table

For replacement of former Micotrol devices new up to date devices with nearly the same attributes and dimensions are available

## Our Up To Date Products

**Mcomfort**  
25A / 50A / 100A  
Frequency Inverter

**Mmicompact 330**  
40A / 60A / 100A  
Thyristor Voltage Regulator

**Mdsm 331**  
40A / 80A / 100A  
Th. Volt. Regulator

MICOVERT 2000NG		☑	☒	☒
MICOVERT 2001NG w. Thyssen Liftbus		☑	☒	☒
LEM 30 (Lift Equip)		☑	☒	☒

easy and direct replaceable

use analog/digital converter or replace encoder

replacement only together with modifications of cabinet and/or motor
